Volunteer position
Clothing exchange organizing

About the service

We offer a free clothing exchange in our space at l'asterisk, to take clothes you aren't required to bring anything. We aim to offer youth with gender affirming clothing and a space to look at/try on clothes without judgement. In our main room there are 3 clothing racks and a shelf with plenty of bins full of clothing organized by size and style (like Large Shirts, Medium pants...). Youth can access the clothing exchange during our opening hours or by appointment.

Main responsibilities

- Organizing clothing regularly in bins and on racks
- Folding and hanging clothes
- Sorting through donations

Time commitment

The clothing exchange needs to be organized every 2 weeks, during our opening hours from 11-6, Monday through Thursday. We ask for a 3 month minimum commitment for this task - this task would be shared with another volunteer.
